☆ Gold Stars 8

Vanessa is amazing to work with. I frequently go to her with something that is short notice and she always outperforms what I asked for and does it with a positive and motivating attitude.

Vanessa is doing incredible work in a high-pressure environment

quality design speed

I have seen so many skills in Vanessa! She is so talented and always is so graceful in showing her mocks or design. Quite honestly, I think she is one of the best designers at Domo.

active listening grace grace under pressure

Vanessa delivers an outstanding amount of quality work even though she is put in very stressful circumstances.

active listening collaboration patience product design time management

The sheer amount of work that Vanessa has produced is very impressive, and the quality wasn't sacrificed to do it.

iterative design proficency quality

Able to embrace mammoth design challenges with aplomb and never misses a deadline. Exceeds expectations on a regular basis.

creative approach reliability

high work output, managing a lot of feedback from various sources including Willis, complex product focus area and critical level of designs (workflows and AI)

act on feedback patience

I've been super impressed with the quality and volume of designs she's produced surrounding AI. It's clear she puts a lot of research and thought into her design.

determination research
